

Construction Employment Open Day

Thursday 3 June 2021

1pm – 3pm

Te Ao Marama
Ohinemutu

Interested in working in the construction industry?

Pukeroa Oruawhata in conjunction with Hawkins will be holding an open day focusing on job opportunities in the construction & building industry.

Come and hear from existing tradespeople about the experiences and opportunities they have had and where work in this industry can take you.

If you are skilled or un-skilled, seeking an apprenticeship or cadetship, are keen to work and learn, are seeking a career change, are a school leaver or any age older – there may be an opportunity for you to work on the Wai Ariki Hot Springs & Spa project.

There is now an opportunity to be recruited by Hawkins and sub-contractors for various roles including:

- Laborers
- Carpenters
- Foremen
- Site Managers

Or if you just want to hear what opportunities are available within the trades – come along!
