Malcolm Short

I was elected an original Trustee of Pukeroa Oruawhata Trust in 1982 and have been your Chairman on the amazing journey to create the $300m powerhouse business that is the heart of our Rotorua CBD retail. I was part of the negotiating team that secured the return of the Rotorua Railway Land in 1993 that enabled us to establish Rotorua Central shopping centre and also the neighbouring Ngati Whakaue Education Endowment Lands of which I am also chair.

I am actively involved with several other local land Trusts and organisations. My work was recognized with the award of an Officer of NZ Order of Merit on 2006 and I was awarded the Rotorua Business Person of the Year in 2015.

It has been a privilege and honour to lead the Pukeroa Oruawhata team of Trustees and advisers for more than 3 decades and to secure outstanding results that we have.

I believe I have the experience and wisdom to continue to be a constructive and contributing Trustee and would welcome the opportunity of continuing the journey for a further 5 year term with your vote.
