# Partnership with Ngāti Whakaue

We are working in partnership with the Pukeroa Oruawhata Group to bring exceptional people and new perspectives to Holland Beckett Law.

Our Rotorua office should reflect its community.

A multiplicity of thought that is aligned to the Rotorua community will ensure we are equipped to develop a strong engagement with it and cultivate an inclusive culture.

It is essential to us that we provide positive experiences for our people, our clients and our communities.

We have worked alongside the Pukeroa Oruawhata Group for nearly 15 years. Together, we have determined to reinforce our relationship by investing in the future of the iwi, and legal profession, by commencing an ongoing Internship Programme.

We acknowledge the importance of doing our part to help develop the next generation of manukura for Ngāti Whakaue. Holland Beckett Law can provide an insight into the legal profession and actual work experience where new skills and knowledge can be gained.

# Our Internship Programme

As an intern at Holland Beckett Law, you will get to experience real-world work, have ongoing technical and soft skill training, meet some great people and have all the benefits of working in a large provincial firm.

Our aim is for each of our interns to have a great summer, get to know our firm, our people and our culture and values.
