FOR PUKEROA ORUAWHATA TRUST

Sep 9, 2024

To trustees and shareholders

My whakapapa to original owners of the Pukeroa Oruawhata block is strong. Poniwahio Pango (157) had Te Kirikauri (81) who had Amereta Ehau, the older sister of Kepa Ehau. She married Te Miri O Raukawa (121) and had Ani who married Monita Hori, whose mother was Taitimu Kitua (253). Ani and Monita's eldest son was George Te Roro o Te Rangi Hori who is my koro.

As a former MP, and with my experience in whenua Māori and governance, I've built my skillset and knowledge around strategic decision-making, policy development, financial management and striking the balance between sound investment and stakeholder distributions.

Pukeroa Oruawhata has heavily invested in the retail and hospitality sector and I believe I can bring an entrepreneurial dynamic to help guide the organisation during globally uncertain times.

I am seeking your support as a new Trustee for Pukeroa Oruawhata Trust, nominated by the George and Hine Hori Whanau Trust.

Nga mihi
